Hon. Commissioner of Patents and Trademarks  
Washington, D.C. 20231

Dear Sir:

**DECLARATION UNDER 37 CFR §1.132**

I, Michael H. Pocock, do declare and state that:

I am the inventor of the above-captioned United States patent application which relates to a method and system to combine one-way and two-way interactive information with full-motion presentations over one or more channels of a television distribution system.

I, together with Allan Lodberg (London, CA); Peter Coumans; (London, CA), am listed as an inventor of the United States patent, No. 5,949,476 which issued September 7, 1999 United States patent, No. 6,674,460 which issued January 6, 2004, both relating to a method and system for providing, in a television system, the combination, transmission, and reception of multiple video presentations over a single channel of a television distribution system.

I am the inventor of the subject matter claimed within this application. Further, I can unequivocally state that any subject matter disclosed but not claimed in US Patents No.

5,949,476 and No. 6,674,460, but claimed in the instant application, originated with or was obtained from myself.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

September 15, 2006
